ASCHB at 50: Influential Books Voting Instructions

Dear Members

Some of you have reported problems with the online voting: we hope that these instructions will solve the problems.

- You can vote only once for each book, and the response can't be changed later.
- Once you have put in your score, you will get a Mailchimp response confirming your vote. At this point you can go back to the email in your in-box and vote for another book.
- Mailchimp only recognises the email addresses you have on file for ASCHB. If you are using a forwarding option to another account name, the voting will show as 'closed'. The email in the original inbox will still be open for voting. Please tell us your preferred email address for future mailings.
- If you prefer, please indicate your scoring on the original email and forward to information@aschb.org.uk for counting.

Thank you to all the members for coming up with the nominations and your enthusiastic responses.

We will keep the list available on the book review page of the website, and we hope that members will recommend other books to add to it.

We look forward to seeing you all on Tuesday 21st November 2017.
